

Our President's Message

I am pleased to announce that for the second year, Hunt Heroes Foundation, the non-profit organization founded by Hunt Military Communities, will be awarding scholarships to help enable the ongoing education of military members and their families. Last year we were able to help nine worthy students and awarded \$20,000. Because of the generous donations we received this year, we are able to increase scholarship awards and recognize 12 recipients and award \$30,000 in scholarship grants in 2020. I encourage you to apply if you or a loved one meet any of the following criteria:

- A high school senior or high school graduate or a current postsecondary undergraduate at an accredited two- or four-year college, university or vocational school or a trade school student; or
- Planning to enroll in full-time undergraduate study at an accredited two- or four-year college, university, or vocational-technical school for the entire upcoming academic year.

For more information and to fill out an application, go to

<https://www.scholarsapply.org/huntheroesscholarship/>

The deadline to submit a nomination is **3:00 p.m. Central Standard Time, February 21, 2020, or until 50 applications are received, whichever comes first.**

Best,

John Ehle, President

Hunt Military Communities

EMPLOYEE SPOTLIGHT

Susan Abrego—Maintenance Manager

Susan has been with Hunt Companies for 13 years. She was hired as the move in/move out coordinator and has worn many hats over the years. She is now the Maintenance Manager for dispatch and the warehouse. Susan's most satisfying part of working at Hunt is sharing her institutional knowledge with others and her support of the Navy families. In her off time, Susan enjoys cooking, sewing and making diaper cakes for baby showers.

Crystal Lancaster—Community Manager

Crystal joined the Hunt team on January 14th as a Community Manager, providing support to the Community Directors and Community Managers where needed, to include all Pacific Northwest Community Properties. Crystal came from the Quality Assurance industry in the outpatient mental health agency and has five years' experience in hospitality management. In her spare time, she enjoys going to the gym and watching her son play football and basketball.

JANUARY SNOW WEEK

We hope everyone was able to enjoy our snow week we had in January. Our Hunt maintenance team worked hard to keep the main areas in the communities cleared by working nights as soon as the snow started. The Hunt team worked together to remove snow and ensure access to the main streets were clear and were available to handle any issues that came up.
