PACIFIC NORTHWEST INSIGHTS NEWS & STORIES

MONTH OF THE MILITARY CHILD

Our President's Message

April is the Month of the Military Child and during this month, Hunt Military Communities celebrates the youngest members of our communities. Military children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long periods of time. We are proud to acknowledge and support the tremendous strength and resiliency of our military children, along with the sacrifices. This year, for the third time, we are hosting our Hunt Little Heroes program. Encourage your children to share stories of how they have been a hero

and positive influence in their community. Applicants are asked to submit a 300-word essay, or a video telling their "Hero Story." All applicants will receive a complimentary Hunt Little Heroes cape, mask and challenge coin. Three winners will receive cash prizes and matching donations to the charity of their choice. For more information please visit <https://www.huntheroesfoundaiton.org.com>. From all of us here at HMC, thank you for your service and sacrifice.

Best,

Brian Stann

Help Prevent Water Pollution

Pouring, leaking or discarding any substances other than rainwater into storm water drain degrades our water resources. Our storm drains are discharged directly into the storm system which flows into our natural waterways,

Therefore, vehicle maintenance and washing is not permitted outside of the Auto Port/Car Wash off Trigger Avenue.

NAVFAC has requested all emergency spills be reported to 360-396-4444. All non-emergent, report to navfac_nw_stormw.fct@navy.mil.

Welcome to the team Roxanne Kuk!

BRAGGING RIGHTS GALORE!

"Move-in agent was meticulous and thorough. She documented as much as possible and ensured we were aware of all areas of concern and understood all aspects of the home."

"I submitted housing application before I PCSed at my prior Command via email thru instruction. In my orders. Staff promptly replied back and notified me of my waitlist. Before I even check out of the Command I already had a housing availability to my next Command. The Process was smooth and easy. Stress-free processing and lease agreement were signed via DocuSign. Very efficient and effective. Thank you very much for continued support to all service members across the fleet!"

"Rob was very friendly and respectful, thank you for the quick turnaround on this work order. "

"Breyer is the best! He deserves a raise for his professionalism, communication, friendliness, troubleshooting, collaboration with his co-workers, and timeliness."

"Robert did a great job! He conducted a thorough inspection in an effort to determine if there was a leak or other solvable moisture problem to resolve the mold issue."

"John was awesome! He patiently waited for the frozen drain to defrost, to make sure it was a job well done. Great work!"

"Greg was great! He fixed all 3 of our issues in a timely manner and he was very friendly. Thanks again! "

We want to hear from you.

Hunt Military Communities is introducing a new way to share your feedback.

Through the Hunt Residents' Feedback Loop, you can share your thoughts, at any time through an online survey.

We are always looking for ways to strengthen and serve our communities. That's why we collaborated with the Military Family Advisory Network (MFAN) to build a feedback loop so we can hear from you. As a resident, this feedback loop provides you the opportunity to share your housing experiences directly with MFAN, confidentially. MFAN will then share its findings regularly with leadership at Hunt Military Housing.

We want to ensure we're serving you the best we can while stationed in our communities. Your voice matters to us.

Don't forget: bookmark the survey link so you can provide responses any time you need.
