COMMUNITY ANNOUNCEMENTS

January is Blood Donor Month

According to the American Red Cross, winter is “one of the most difficult times of year to collect enough blood products to meet patient needs.” That’s because of, among other things, busy holiday schedules and bad weather often resulting in canceled blood drives. Furthermore, seasonal illnesses such as the flu force potential donors to forgo their blood donations.

That’s just one of the reasons that National Blood Donor Month, which has taken place each January since 1970, is such an important observance. Donating blood saves many lives and improves health for many people. According to the World Health Organization, “blood is the most precious gift that anyone can give to another person — the gift of life. A decision to donate your blood can save a life.”

COMMUNITY IMPROVEMENTS

Ongoing low tree branches and dead trees are being removed from the property as weather permits.

MAINTENANCE CORNER

Hose bibs are now available at the Leasing Office and the maintenance bunker to put on your outside water spigots to help prevent frozen pipes and help with conserving energy. With the winter months approaching, it is a good time to replace your thermostat batteries and test your furnace; if you need assistance with putting on hose bibs or replacing your thermostat battery, please call us for a routine work order at 360-447-5600, option #2.

GOOD NEWS STORIES

Hunt was able to perform all 1,061 preventive maintenance inspections in 2023 for The Landings and Bremerton Housing. We will be starting the 2024 preventive maintenance schedule soon, look out for your notice! We appreciate all your help in reaching our goal!
