COMMUNITY ANNOUNCEMENTS

February is American Heart month, a time for us all to focus on our cardiovascular health.

This Heart Month, the Division for Heart Disease and Stroke Prevention is expanding the reach of the Million Hearts® and CDC Foundation's "Live to the Beat" campaign, which focuses on encouraging and empowering Black adults ages 35 - 54 to take small steps to reduce their risks for cardiovascular disease (CVD).

CVD and CVD mortality are increasing in working-age adults, and Black adults are among those bearing the highest burden of CVD and the related health consequences, particularly in the United States. Black adults in the United States die from heart disease at a rate two times higher than White adults.

We encourage residents, health care professionals and our partners to help close the disparities gap.

COMMUNITY IMPROVEMENTS

We are dedicated to continuous improvement in our community. Our team has been aware of low tree branches and dead trees throughout the community and they are being removed from the property as weather permits.

MAINTENANCE CORNER

The Maintenance team has started 2024 preventive maintenance inspections, be on the lookout for your notice. During these inspections, you do not need to be home, and if you choose not to be home, we will ask that you secure all pets and ensure minors accompanied by an adult 18 or older.

GOOD NEWS STORIES

We have openings in the Community Advisory Board! The responsibility of a Community Advisory Board (CAB) member is to serve as a liaison between Housing neighborhoods and the Leasing Leadership team and to communicate community guidelines and procedures for problem resolution to other residents. Other responsibilities include assisting in the distribution of informational materials to other residents, soliciting ideas to improve the quality of life in Housing, and nominating and participating in contests and resident recognition programs.

The purpose of CAB is to encourage residents to engage in their community and positively affect the quality of life of families living within the community. The monthly meetings serve as an opportunity to share ideas and suggestions, express concerns, and work with property management to develop solutions.

CAB Meetings are held the third Tuesday of every month (next CAB meeting February 20th at 4:00 PM).

If you would like to apply to be a CAB member please email us at WestSoundRSO@HuntCompanies.com or call the Leasing Office at 360-447-5600.
