DECEMBER 2024

COMMUNITY NEWS

The holiday season is here, and we're excited to see everyone getting into the festive spirit! To help keep things safe and enjoyable for all, please remember the following guidelines:

- Attachment of Decorations: Avoid drilling or screwing into the building. Use gutter clips or quick-release tabs to hang decorations safely.
- Roof Decorations: Decorations on the roof or above the first-floor roofline are not permitted. Climbing onto the roof is strictly prohibited.
- Electrical Safety: Don't overload circuits or extension cords. Set decorations on a timer or turn them off when not in use.

For more details, consult your Community Handbook or contact the office. Thank you for helping us maintain a safe and festive community!
